#### COLIN'S NEW TRACK RECORD

RUNS FIVE FURLONGS IN :58 AND WINS NATIONAL STALLION RACE.

Confirms Opinion that He Is the Best Youngster Yet Shown in the East-Pagan Bey Wins the Steeplechase.

New York, June 1 .- Colin confirmed the general opinion that he is the best two-year-old yet shown winning the National Stallion Race at Belmont Park today in track record time. The five furlongs over the straight course was run in 58, or twofifths of a second better than the previous record for the distance made by Higginbotham last year under eighty-nine pounds. Colin was, howver, aided considerably by a stiff wind which blew down the course and no doubt helped materially to the fast

There are few stakes run on the Jockey Club tracks which have not at some time been won by s carrying the white and blue spots of James One of these is the Suburban and the National Stallion stakes another until Coliu's easy victory today. Colin won with so much in hand. having been shaken up in the early part of it to get rid of Bar None, as to emphasize the fact that he is a game as well as a fast colt. Mr. Keene was present and was very much elated over the colt's success, but would not express an opinion as to whether or not Colin was the best in the stable. "It will, however," said Mr. Keene, in his quiet

"take a mighty good horse to beat him." eighth stake out of tyventy-three victories for Mr. Keene this season and to date the horses have won a little in excess of \$82,000. It was but a few years ago that this was considered winning for the most prominent stables for an entire season. If the report is true that the Keene barn houses better two-year-olds than have yet been shown, and if the three-year-olds continue to add the rich stakes for horses of this age, Mr. Keene bids fair, as was said in Daily Itacing Form a day or two ago, to overtop his winnings of 1905 when he reached the highwater mark for the Ameri can turf with more than \$200,000 to his credit.

The National Stallion and International Steeplechase were the features of the card today, but it was well balanced by overnight races, which brought out some good horses at pretty fair prices Unfortunately the handicap at one male, which, next to the National Stallion, was of greatest inbut was spoiled by withdrawals, of the best of the overnight entries faling a victim to the blue pencil. Although the weather was un favorable, the attendance was first-class; and the players had a very good day of it as four first choices won. The worst upset of the day came with the running of the steeplechase, when California King, well backed at odds-on, fell at, the third Pagan Bey had no trouble in winning from McCann, with Fallaheen a distant third.

With the Gaiety Stakes and Jockey Club Weight for Age Race the main features, Monday's card is good one and, with Eddie Ware, Saracinesca, Aletheuo; Uncle, Sweet-taire, Ziephen; Notasulga, Frizette, Sungleam; Montgomery, W. H. Carey, Go Between; Yankee Girl, Adoration, Zienap; St. Val-Masaniello and Killiecrankie atmong likely to start, the racing should prove highly en tertaining.

#### PLENTY OF HORSES AT HAMILTON.

Hamilton, Ont., June 1 .- Many horses are arriving at the local track from Toronto, Louisville and Baltimore and already nearly half of the stalls at the track are occupied. Other owners who have been racing at the Woodbine will ship to Hamilton tomorrow, but the majority of them with remain in Toronto until Monday morning.

Every stall at the local track and every stable within a radius of a mile of the track has been allotted and Secretary Loudon has been forced to return a number of applications for stalls for want of accommodations. It is the intention to build a couple more big stables this summer.

The meeting will open Tuesday and if the fine weather continues, it is going to be the best meet ing ever held in Hamilton. The Hamilton Derby a new feature this year, will bring together some of the best three-year-olds that have been racing a Toronto and some good ones from Louisville and other places. Of the eight or nine probable starters Tourenne seems to have the best chance, but there many who believe that Old Honesty, Main Chance or one of the others will take the measure

Kirkfield Stable crack William Murray, who will do the starting, arrived from New Orleans this morning. J. J. Burke will be the presiding judge and Hon. J. S. Hendrie

CLOSING OF TORONTO'S GOOD MEETING SANFARA'S CALIFORNIA MILE RECORD.

Amos Turney Scores a Double in Stakes-La Gloria a Disappointment.

Toronto, Ont., June 1 .- The Ontario Jockey Club offered its patrons an excellent card for the closing of its spring meeting this afternoon. The wintry weather, with cold raw winds sweeping across the lake and into the stand, made Woodbine Park any thing but a pleasant spot. The attendance, however was fully up to the high standard of previous days There were four stakes on the program, the Tyre for two-year-olds, the Hendrie Handicap for three year-olds; the Street Railway Steeplechase over the long course, and the Waterloo Handicap for threeyear-olds and upward and worth \$1,200 to the win

Amos Turney made a splendid double when Clell Turney won the Tyro, and Martin Doyle galloped in in easy winner of the Waterloo Handicap. Pierre Lorillard's Mooksie won the steeplechase stake in handsome fashion after a gallant struggle in which she stood a gruelling drive for the last quarter of mile

The "Williams confederacy," of which Dick Williams is the chief, furnished the favorite for the opening race in La Gloria, a mare whose recent forn varranted the supposition that she outclassed her opposition. La Gloria was always at a short price but she ran a disgraceful race. The best she did was to beat Bonnie Reg a head for the short end of the purse

The sixth race furnished the closest finish of the day in which Factotum just managed to get up and beat Tom Dolan out a head.

Horses belonging to the following owners left for Montreal tonight on two specials: Mode Nicol, Thomas Clyde, J. Shannon, R. J. Walden, A. H. & D. H. Morris, E. W. Lagerroth, J. J. Walsh, W. H. Holland, W. Ryan, W. Walker, M. Boasberg, Edward Whalen J. J. Farrell, J. Thornby, Pierre Lorillard, H. Flippen, M. Jacobson, J. Gormley, M. J. Daly, George Innes, Queen City Stable, W. Gerst, W. A. Burttschell, E. Harris, R. J. Laughlin, J. U. Strode, W. Cook, J. W. Blalock, L. Tauber, J. J. Mackessey, E. Dudley, D. C. O'Malley, E. A. Whitney, J. E. Seagram, T. A. Woods, John O'Neill and Ogilvie & Campbell.

#### T. S. MARTIN HAS HOST OF ADMIRERS.

#### Garth Says He Is America's Greatest Jumper-No More Waiting Orders.

York, June 1. -Since his victory over Good and Plenty in the Whitney Memorial at Belmont Park Decoration Day, the devotees to steeplechasing are with one accord proclaiming T. S. Martin the greatest jumper of the age in America. Billy Garth, who trains the horse for Paul J. Rainey, says that his orders to jockey Dupee caused the defeat of T. S. Martin in the Empire State Steeplechase.

"I was afraid they were going to try and run my horse to death in the first mile of the Empire State and I told Dupee to take him back." said trainer Garth. "Those orders were fatal. If I had let Dupee go about his business T. S. Martin would have won the Empire State as easily as he won the Whitney Memorial. This is the greatest jumper I ever saw. He is the greatest jumper you ever saw. He is the greatest jumper anybody ever saw. We will not wait with T. S. Martin hereafter. He will go out and make pace in all his he can go as far as the next man's horse.'

"Good and Plenty simply was not good enough for T. S. Martin," Thomas Hitchcock said. "Nor does it seem that he can beat Mr. Rainey's horse weighted he and T. S. Martin were in the Whitney Memo rial. He may never beat him. T. S. Martin is

brilliant jumper and a tireless runner." T. S. Martin is Virgina-bred, a product of Cap tain R. J. Hancock's famous Ellerslie Stud, in Albemarle county. He is a son of the Isonomy stallfor Fatherless, and Sanci, a daughter of the immortal Eolus and Sans Souci, by Bonnie Scotland. Sanci's econd dam was Dew Drop, by Lexington.

No wonder T. S. Martin stuck two miles and a half in the Whitney Memorial. Than his there no stouter blood in the American Stud Book. He will stick three miles and a half in the Champion next fall if he is lucky enough to get to the post in as good condition as he was in Thursday.

T. S. Martin did his first racing two seasons back under the jacket of W. L. Maupin, the clerk of the county court of Albemarle, and a popular Virginian. He was named for the junior United States Senator from the old Dominion, the Hon. Thomas S. Martin, a big man in politics and a stanch supporter of racing. Mr. Maupin sold T. S. Martin to C. C. Smith of Washington, about a year ago and Mr. Smithson and Mr. Garth decided to put him through the field because he had become whimsical and un reliable as a flat runner. It was on the advice of Garth that Paul J. Rainey bought him. In the field T. S. Martin is in his element. He takes as naturally to jumping as any horse ever did, and he runs swiftly and willingly.

## Runs in 1:38 2-5 at Oakland-Jockey F

Graham Is Ruled Off the Turf.

Oakland, Cal., June 1 .- The race horse Cabin re leemed himself with a brilliant and victory in the second race at Oakland today, and incidentally convicted jockey F. Graham of having pulled the Pontiac gelding in his two preceding He was ridden today by the coming midge rider Kirschbaum and galloped the mile and a six teenth in 1:40§ without ever being fully extended.

Presiding steward E. C. Hopper immediately ruled guilty Graham off the turf.

The chief feature of an interesting card was the mile race at special weights in which five of the fastest milers here under lightweights were en The improving Sanfara won this race finishing in 1:38%, she earned a bonus of \$200 for lowering the Pacific coast record of 1:381, made by the mighty Bearcatcher last season. Sanfara was pressed at the end by Bedford. The race evoked a great deal of genuine enthusiasm and is re to awaken renewed interest in the sport here

The handicap at five furlongs for two-year-olds wholesale upset. The hitherto almos invincible Raleigh, ridden by R. Davis, was unable to raise a respectable gallop and was beaten off. St. Francis came to life in the fifth, while Security the medium of a plunge, was ridden to a standstill

by Fischer and nosed out in the concluding race.

#### FERRISS GETS THE PRIZE.

ST. VOLMA WINS THE LOUISVILLE STEEPLECHASE IN FAST TIME.

Jockeys Archibald and Morrison Have a Duel With Whips During the Race and Are Suspended for Thirty Days.

Louisville, Kv., June 1 .- J. C. Ferriss, Jr.'s St. Volma won the Louisville Steeplechase over the full course, worth \$1,160 to the winner, in sensational taking second place from Killde the final stride. Although St. Volma won handily his backers experienced several minutes of uneasi-For a while it appeared as if he would be disqualified because Archibald had engaged in a with whips, with Morrison, the rider of Killdoe. The latter had been the leader for the first round of the course and was still in front when St. Volma alongside of him when approaching the ranged eleventh jump. Killdoe at this point began carrying St. Volma wide. Archibald slashed away at Morrison with his whip. Morrison struck back and they kept it up even as they went over the last obstacle, where St. Volma parted company with the others and won with ease. The judges had the jockeys before them, Archibald claiming that Morrison had deliberately forced his mount against St. Volma. judges placed the horses as they had finished and suspended both jockeys for thirty days, also fining Archibald \$200. Naran came to grief at the water jump in the second turn of the course. Jockey Huston escaped with a slight shaking up.

In addition to the stake race, a mile dash for

gentlemen riders attracted interest and brought to the course a fashionable throng. Mr. Farnum, ridden by Mr. Collyer, a young Canadian, was the winner by a nose over Swiftwing, ridden by Mr. Caldwell. Swiftwing was the best and had he not been in the worst going through the stretch would have won. The finishes in most of the races were close, the exception coming in the second, when Rebel Queen von by five lengths.

The handicap at one mile was reduced by withdrawals to four starters, each of which had an army of followers and the backing they were acorded was probably the heaviest of the meeting. Cablegram, which had been pounded down to 9 to 5 from an opening of 3 to 1, again receded in the betting to the original figure on account of the late plunge on Phil Finch and Little Lighter. Cablegram, showing improved form under a hard ride, led all the way, but was lucky to last long enough to get home a scant length before Phil Finch

Boserrian took the opening race in a hard drive from Adesso. Sponge Cake, favored by the going in the closing race, lasted long enough to stall off the determined challenge of Lansdown in the stretch and won by a half length. Sponge Cake came out of the race with a deep cut on his front leg, where he had been jumped on. Gauze pulled up limping perceptibly.

Starter Jake Holtman, though he officiated todaywas ill. He had to have medical attention last night on account of ptomaine poisoning

G. H. Marlman was censured by the judges for allowing jockey Graddy, ruled off recently, to school his horses during the morning hours.

torious because he reduced the long course record by nearly three seconds in a wet and sloppy infield. The card for Monday presents no very striking features but the horses in the various races class well together and with Flarney, Lady Baldur, Silver Cup; Demo, Western, Solly M.; Mackerel, Esther Brown, Catherine F.; Dr. Heard, Killdoe, Lights Out; Request, Envoy, Alencon; Sea Salt, Quagga and Sultry among the entries the racing should prove fairly interesting.

Winner—B. f, by Box—Southern Girl (trained by W. J. Donohue).

Went to post at 3:02. At post 1 minute. Start good. Won easily; second and third the same. Rebel Queen ran as if much the best in the going, was away forwardly and, showing superior speed, dashed into a long lead at once and only had to canter through the last furlong. Hollow ran a good race under listless handling and can do much better. Lady's Man came from a long way back in the stretch and finished gamely. Buto began slowly and closed a big gap in the last quarter. The Yamisee ran fairly well. Gresham quit all over after going a quarter. Black Coat ran green and will improve.

# Something for Nothing

TARTING with this week's issue of THE TURF REPORTER NO. 130, we are practically giving something for nothing, and which will prove to be worth ten times the price of the book to its readers. It is the new addition, consisting of ratings of every race and horse running at every recognized track in the country, which will show the differences in the running of horses, the consistent and real stake horses, the poorer stake horses that have gone back a little but are still a little better than selling platers, the better class of platers, and the real poor ones that are bad betting propositions at any time. Again, these ratings will alter your opinion of certain horses-some that you considered great because you have won on them once or twice - while others are running at higher ratings that you thought were of little account. In a word, these ratings will teach you the class each horse belongs in, something which about three out of every ten players know. Again, it will show up false favorites and show up more good things than you imagine. For example, we give the ratings of the fourth race at Louisville, May 30: Haughty, 74; Vohoome, 64; Beatrice K., 65; Nedra, 66; Alencon, 69; Soprano, 66; Taunt, 66; Minnehaha, 65; Sagapanak, 47; Humorist, no rating; Fay, 53.

Now notice what the footnotes say: "Alencon was shuffled back soon after the start." Now, notice that-allowing 2 points to a length, which is right, Haughty figures to win by two and a half lengths, but won by 3 lengths. Notice how close the ratings are and how close the first seven contestants finish, which prove how true the ratings are.

Another example, the 3rd race, Saturday, June 1st: Cablegram, 80; Phil Finch, 75; Harry Scott, 71; Little Lighter, 66; The Minks, 64; Gargantua, no rating. The above examples will show the value of these ratings.

It is the most simple and reliable way of handicapping ever devised. Not only do you receive these ratings every week, but reports and works on the horses in training at all principal tracks throughout the country. In Books No. 129 and No. 130, out May 23 and May 30, we gave a report on

Frank Jones, the veteran trainer, had an option on John Marrs for \$2,000 when the recent Rainey acquisition was a yearling, but the failure of an eastern man to come to time with the money caused the loss of the colt to Jones.
